

Thomas Ogun

INTERDISCIPLINARY VISUAL ARTIST

Nigeria | thomasogunvisuals.com | bookings@thomasogunvisuals.com

ARTIST PROFILE

Thomas Ogun is an interdisciplinary visual artist whose practice explores identity, spirituality, ancestry and cultural memory through digital illustration, moving image, sound and augmented reality. His work connects traditional image-making with immersive media and develops visual systems for exhibitions, film and cross-cultural collaboration.

SELECTED EXHIBITIONS AND PUBLIC PRESENTATIONS

Identity & Spirituality - independent exhibition project | 2026

Artist and project lead. A ten-work visual arts project comprising eight physical digital illustrations and two augmented reality installations. The project examines ancestry, memory, belief and cultural continuity through image, movement and sound.

Voices Uprising - film screening and discussion, Burgkino, Vienna, Austria | 2024

Film contribution. The public screening was presented in cooperation with the Centre for Translation Studies, University of Vienna, on 6 March 2024.

SELECTED CREATIVE PROJECTS

OMO by Vorstar - cross-border music and album campaign | 2025

Creative Director, Director/Cinematographer and Editor. Led the visual treatment, moving-image production, post-production and campaign rollout across Lagos and Cape Town.

Aura Manager - artist-built creative thinking platform | 2024-Present

Creative direction, visual system, user experience and product development for a platform that turns early ideas into structured creative prompts, plans and production materials.

Selected cross-media work | Ongoing

Study of the Eye (graphite drawing); Fuiify Your Soul (album artwork for Adewale Ayuba); Bennywise EPK (cinematography and editing).

PROFESSIONAL EXPERIENCE

Gayatek Nation and Media - Freelance Illustrator, Graphic Designer and Digital Artist | 2019-Present

Develops illustration, visual identities, campaign assets and production-ready artwork for cultural, editorial and commercial projects.

Novemba 15 - Cinematographer and Editor | 2022-2025

Produced and edited moving-image work for music, performance and artist-led projects, with responsibility for visual continuity, pacing and delivery.

Joadre Network - Cinematographer, Video Producer and Editor | 2020-2024

Created documentary and editorial video content from pre-production through filming, editing and final delivery.

EDUCATION AND TRAINING

Bachelor of Fine Arts, Graphic Design - Niger Delta University, Nigeria | 2007-2011

Foundation in drawing, composition, visual communication and design practice.

Cinematography Masterclass: The Complete Videography Guide - Udemy | 2020

Six-hour online course completed 16 December 2020; certificate retained in the artist archive.

MEDIA AND METHODS

Digital illustration; graphite drawing; moving image; cinematography; editing; sound; augmented reality; Unity; Vuforia; creative direction; visual systems; exhibition and project development.
