

Thomas Ogun

NIGERIAN VISUAL ARTIST | INTERDISCIPLINARY PRACTICE

Nigerian visual artist | thomasogunvisuals.com | contact@thomasogunvisuals.com

PROFILE

Thomas Ogun is an interdisciplinary visual artist exploring identity, spirituality, ancestry and cultural memory through digital illustration, moving image, sound and augmented reality. His practice connects drawing and symbolic image-making with immersive media, exhibition development and cross-cultural collaboration.

SELECTED EXHIBITIONS AND PUBLIC PRESENTATIONS

Identity & Spirituality - Self-curated Exhibition | 2026

Artist, curator and project lead. Ten works comprising eight physical digital illustrations and two augmented reality installations, examining ancestry, memory, belief and cultural continuity through image, movement and sound.

Voices Uprising - Burgkino, Vienna, Austria | 2024

Film contribution to a public screening and discussion presented in cooperation with the Centre for Translation Studies, University of Vienna, on 6 March 2024.

SELECTED COLLABORATIONS AND PROJECTS

OMO by Vorstar - Lagos and Cape Town | 2025

Creative Director, Director/Cinematographer and Editor. Led visual treatment, moving-image production, post-production and campaign rollout for a cross-border music and album campaign.

Aura Manager - artist-built creative platform | 2024-Present

Creative direction, visual system, user experience and product development for a platform that turns early ideas into structured prompts, plans and production materials.

Selected cross-media collaborations | Ongoing

Fuiify Your Soul, album artwork for Adewale Ayuba; Bennywise EPK, cinematography and editing; Study of the Eye, graphite drawing.
